20 ~~instructors, teachers, officers, and other employees of the several institutions under~~  
21 ~~its control, and to fix their salaries within the limits of legislative appropriations~~  
22 ~~therefor, and to fix the terms of office and to prescribe the duties thereof, provided~~  
23 ~~that the consideration of the appointment or removal of any such personnel shall~~  
24 ~~be Meet in executive session if the board chooses to consider the appointment or~~

- 1            ~~removal of a university system employee,~~ unless the ~~person or persons~~ individual  
2            involved ~~request~~ requests that the meeting shall be open to other ~~persons or~~  
3            individuals or to the public.
- 4            2. ~~To control the grounds, buildings, and all other property of such institutions,~~  
5            ~~regulate the conduct of students, staff, faculty, and visitors, and authorize~~  
6            Authorize the employment of law enforcement officers, ~~with~~ having concurrent  
7            jurisdiction with other law enforcement officers to enforce laws and regulations at  
8            its institutions.
- 9            3. ~~To adopt rules and regulations for the government of each of the institutions and of~~  
10           ~~all their departments and branches.~~
- 11           4. ~~To determine the qualifications of applicants for admission to the various courses~~  
12           ~~of instruction, to prescribe by rule criteria for the admission of students, and to~~  
13           ~~ensure that the criteria for admission are applied to all applicants in a uniform and~~  
14           ~~nondiscriminatory manner, regardless of the school or educational setting from~~  
15           ~~which an applicant obtained a high school diploma or its equivalent. No instruction,~~  
16           ~~either sectarian in religion or partisan in politics, shall ever be allowed in any~~  
17           ~~department of such institutions, and no sectarian or partisan test shall ever be~~  
18           ~~allowed or exercised in the election of professors, teachers, or other officers of the~~

- 23           6. ~~To delegate to institution officers and faculty the power to suspend or expel~~  
24           ~~students for misconduct or for other causes prescribed in such bylaws.~~
- 25           7. ~~To provide for the needs and proper development of each institution in harmony~~  
26           ~~with the best interests of the people of the state, and to improve higher and~~  
27           ~~technical education in the state.~~
- 28           8. ~~To coordinate and correlate the work in the different institutions to prevent wasteful~~  
29           ~~duplication and to develop cooperation among the institutions.~~
- 30           9. ~~To fix~~ Set tuition and fees.

1           ~~10. To make recommendations in regard to needed legislation for the institutions under~~  
2           ~~its control.~~

3       ~~44. 4. a. To establish~~ Establish a retirement program as an alternative to chapter  
4           15-39.1 for university system employees ~~of institutions under its control~~  
5           subject to the following guidelines:

6           a.   (1)   Benefits under the program must be provided through annuity contracts  
7                    purchased by the board but which become the property of the  
8                    participants;

9           b.   (2)   The cost of the annuity contracts must be defrayed by contributions  
10                   made pursuant to rules of the state board of higher education;

11          e.   (3)   Eligible employees appointed before July 1, 1973, shall participate in  
12                   the alternate retirement program only by their individual election. When  
13                   the electing eligible employee is a member of the teachers' fund for  
14                   retirement, the employee's assessments and employer's contributions  
15                   together with interest credited at the current rate for one-year  
16                   certificates then being paid by the Bank of North Dakota must be  
17                   transferred to the employee's account in the alternate program. The  
18                   election must be made before July 1, 1980, and shall relinquish all  
19                   rights the eligible employee or the employee's beneficiary may have to  
20                   benefits provided in chapters 15-39 and 15-39.2; and

21          e.   (4)   Employees of ~~institutions under the control of the state board of higher~~  
22                   ~~education~~ the university system who are members of the public  
23                   employees retirement system and who become entitled to participate in  
24                   the alternate retirement program are entitled to a special annuity  
25                   purchase in the alternate retirement program in accordance with this  
26                   subdivision. An eligible employee who consents to have that  
27                   employee's contribution included is entitled to have that employee's  
28                   contribution and employer's contribution, with interest, in the public  
29                   employees retirement system fund, used by the retirement board of the  
30                   public employees retirement system to purchase for that employee an  
31                   annuity in the alternate retirement program in lieu of any other rights

1 under the public employees retirement fund. However, before the  
2 employer's contribution may be used for an annuity purchase, the  
3 employee's combined years of service with the public employees  
4 retirement system and the alternate retirement program must equal or  
5 exceed the years of service necessary to be eligible for retirement  
6 benefits under the public employees retirement system. An employee  
7 who transferred from the public employees retirement system before  
8 March 30, 1987, and who received a refund of that employee's  
9 contribution is entitled to have the employer's contribution, with interest,  
10 used to purchase an annuity even if that employee did not purchase an  
11 annuity in the alternate employee program with the employee's  
12 contribution. If an employee makes the election allowed under this  
13 subdivision, that employee relinquishes all rights the employee or any  
14 of the employee's beneficiaries may have had to benefits provided  
15 under chapter 54-52.

16 b. ~~The board shall provide~~ Provide for the administration of the alternate  
17 retirement program and establish rules for the program consistent with this  
18 subsection. This subsection does not derogate any existing retirement  
19 programs approved by the board.

20 ~~42.~~ 5. ~~To determine~~ Determine policy for purchasing by the ~~institutions of higher~~  
21 ~~education~~ university system in coordination with the office of management and  
22 budget as provided by law.

23 ~~43.~~ 6. ~~To establish~~ Establish by rule an early retirement program for faculty and officers  
24 of the board as defined by the board. The limitations on severance pay pursuant to  
25 section 54-14-04.3 and on requiring the employee to pay contributions to continue  
26 on the state uniform group insurance program upon retirement or upon termination  
27 of employment pursuant to section 54-52.1-03 ~~shall~~ do not apply to the early  
28 retirement program.

29 ~~44.~~ 7. ~~To adopt~~ Adopt rules to protect the confidentiality of student records, medical  
30 records, and, consistent with section 44-04-18.4, trade secret, proprietary,  
31 commercial, and financial information.

1     ~~15. 8. To authorize~~ Authorize and encourage institutions of higher education under its  
2     ~~control~~ university system entities to enter into partnerships, limited liability  
3     companies, joint ventures, or other contractual arrangements with private business  
4     and industry for the purpose of business or industrial development or fostering  
5     basic and applied research or technology transfer.

6     9. Adopt rules promoting research, encouraging development of intellectual property  
7     and other inventions and discoveries by university system employees, and  
8     protecting and marketing the inventions and discoveries. The rules must govern  
9     ownership or transfer of ownership rights and distribution of income that may be  
10    derived from an invention or discovery resulting from research or employment in  
11    the university system. The rules may provide for transfer of ownership rights or  
12    distribution of income to a private, nonprofit entity created for the support of the  
13    university system or one of its institutions.
