Subsections 6 and 7 apply to the partner, shareholder, or member."

6. The amount of the contribution upon which an allowable credit is computed must be added to federal taxable income in computing North Dakota taxable income in the taxable year in which the credit is first claimed, but only to the extent that the contribution reduced federal taxable income.

7. An unused credit may be carried forward for up to three taxable years.

8. If a contribution for which a credit was claimed is recovered by the taxpayer, an amount equal to the credit claimed in all taxable years must be added to the tax due on the income tax return filed for the taxable year in which the recovery occurs. For purposes of subsection 4, this subsection applies if the estate or trust recovers the contribution and the estate or trust and its beneficiaries are liable for the additional tax due with respect to their respective shares of the apportioned credit. For purposes of subsection 5, this subsection applies if the partnership, subchapter S

corporation, or limited liability company recovers the contribution, and the partner, shareholder, or member is liable for the additional tax due."
