SECTION 21. NORTH DAKOTA STATE UNIVERSITY - COLLEGE OF BUSINESS BUILDING. The state board of higher education may enter an agreement or agreements with the North Dakota state university foundation or other private entity and do all things necessary and proper to authorize construction by the foundation or other private entity of a college of business building off the North Dakota state university campus, using donations, gifts, or other private funds.

SECTION 22. LEGISLATIVE COUNCIL STUDY - HIGHER EDUCATION.

1. The legislative council shall consider appointing a higher education committee for the 2007-08 interim. If appointed, the committee shall spend a majority of time studying the means by which the North Dakota university system can further contribute to developing and attracting the human capital to meet North Dakota's economic and workforce needs, and if time allows, the committee may visit select higher education institutions.
2. The study must focus on ways to increase postsecondary access, improve the quality of education, contain costs and other means, including productivity, to maximize the usage of the North Dakota university system in meeting the human capital needs of the state.
3. The study must include a review of policy recommendations, as appropriate, which address the postsecondary delivery system, including the mix of institutions, educational attainment gaps, degree production gaps, recruitment and retention of students, and workforce training needs.
4. The study must include a review of the impact of the state's changing demographics on the university system long-term financing plan.
5. The study must recommend goals for each of the higher education cornerstones.
6. The study may include the use of a higher education roundtable format.
7. The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-first legislative assembly.
8. The state board of higher education also shall take the recommendations into account and make appropriate changes to practices, board policy, and budget needs and allocation.

SECTION 23. LEGISLATIVE COUNCIL STUDY - PROFESSIONAL STUDENT EXCHANGE PROGRAMS. The legislative council shall consider studying, during the 2007-08 interim, higher education professional student exchange programs. The study should include review of:

1. The amount of annual tuition and fees paid by students for health care-related professional education programs.
2. The amount of annual support fees paid by the state for health care-related professional education programs.
3. The number of state-supported slots funded and demand for state-supported slots, including the consideration of basing the number of slots on the estimated workforce needs to fill positions due to retirements, geographic, and professional specific service needs.
4. The present repayment provisions and loan forgiveness programs to determine cost-effectiveness, equality issues, and development of program enhancements that would aid in the recruitment of professional students to return to the state to practice their chosen profession.

5. Discontinuation of the contracts with the western interstate commission on higher education for access to veterinary medicine programs and consideration of negotiating contracts for veterinary medicine with Kansas, Iowa, and Minnesota.

The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-first legislative assembly."

- 1 This amendment restores funding for salary increases of 5 percent for each year of the 2007-09 biennium.
- 2 This amendment increases funding for competitive research by \$150,000 from the general fund, from \$5,550,000 as provided for in the executive budget recommendation to \$5,650,000.
- 3 This amendment increases funding for board initiatives by \$98,500 from the general fund, from \$300,000 to \$398,500. The funding of \$98,500 is to be used in conjunction with \$98,500 of special funds from Minot State University for a shared recruiting initiative for Minot State University and Minot State University - Bottineau. The initiative is a pilot project and both Minot State University and Minot State University - Bottineau are to report to the 61st Legislative Assembly on the effectiveness of the initiative.
- 4 This amendment increases one-time funding provided for support of the ConnectND system by \$2,300,000 from the general fund, from \$3,700,000 as provided for in the executive budget to \$6,000,000.
- 5 This amendment increases one-time funding for the Northern Tier Network project by \$373,800, from \$2,400,000 to \$2,773,800 from the general fund.
- 6 This amendment removes funding of \$144,559 from the general fund for the operations pool.
- 7 This amendment removes funding of \$296,482 from the general fund for contingency and capital emergency.
- 8 This amendment increases funding for the Kansas State University veterinary medicine program by \$205,920, from \$317,460 to \$523,380 from the student loan trust fund, to fund five new students per year in the 2007-09 biennium.
- 9 This amendment decreases funding for the education incentive programs by \$249,000, from \$1,989,314, as provided for by the House, to \$1,227,902. The additional funding of \$249,000 was related to increases in the teacher shortage loan forgiveness program as provided in House Bill No. 1249. House Bill No. 1249 was defeated by the Senate; therefore, the additional funding provided for in House Bill No. 1003 is removed.
- 10 Bismarck State College - This amendment appropriates funding of \$5,679,750 from special funds for reauthorization of the college's student housing project.

Lake Region State College - This amendment changes the funding source for the college's wind energy project as follows:
