The application for the certificate must be accompanied by instruments or documents of authority, or copies thereof, as may be required by law to evidence or effect a transfer of title in or to chattels in such case. The department, when satisfied of the genuineness and regularity of such transfer, shall issue a new certificate of title to the person entitled thereto, provided that the department may not issue a certificate of title for a manufactured home with respect to which there has been recorded an affidavit of affixation under section 47-10-26.

Satisfactory proof of ownership must include compliance by the transferee with the procedures outlined in title 35. The department may establish procedures for determining satisfactory proof of ownership of a vehicle in those cases when the department is unable to determine the legal owner of record. Any person aggrieved by a decision of the department as to ownership of a vehicle may appeal that decision to the district court under chapter 28-32.
2. A person holding a certificate of title whose interests in the vehicle have been extinguished or transferred other than by voluntary transfer shall mail or deliver the certificate to the department upon request of the department. The delivery of the certificate pursuant to the request of the department does not affect the rights of the person surrendering the certificate. The action of the department in issuing a new certificate of title as provided herein is not conclusive upon the rights of the owner or lienholder listed in the old certificate.

- c. The affidavit of affixation must be accompanied by an applicable fee for recording and issuing a recorded copy of the affidavit.
4. The act of permanently affixing a manufactured home to real property or the recording of the affidavit of affixation does not impair the rights of a holder of a security interest in or lien on a manufactured home perfected as provided in section 35-01-05.1, unless and until the due filing with and acceptance by the department of transportation of an application to surrender the title as provided in subsection 1 of section 39-05-35 and the release of the security interest or lien as provided in section 39-05-16.1. Upon the satisfaction of the requirements of subsection 6, the manufactured home is deemed to be real property; any mortgage, deed of trust, lien, or security interest which can attach to land, buildings erected thereon, or fixtures affixed thereto attach as of the date of its recording in the same manner as if the manufactured home were built from ordinary building materials onsite. Title to the manufactured home must be transferred by deed or other form of conveyance that is effective to transfer an interest in real property, together with the land to which the structure has been affixed. The manufactured home is deemed to be real property and is governed by the laws applicable to real property.
8. Except as provided in subsections 3, 5, 6, and 7, an affidavit of affixation is not necessary or effective to convey or encumber a manufactured home or to change the character of the manufactured home to real property. A conveyance of land upon which is located a manufactured home for which an affidavit of affixation has been recorded does not effect a conveyance or encumbrance of any interest in the manufactured home. A conveyance or encumbrance may only be made under the provisions of chapter 39-05. An agreement by a party to the transaction whereby the requirements of this subsection are waived is void as contrary to public policy.
