Total federal funds	\$68,594,635

The department of commerce may seek emergency commission and budget section approval under chapter 54-16 for authority to spend any additional federal funds received under the federal American Recovery and Reinvestment Act of 2009 in excess of the amounts appropriated in this section, for the period beginning with the effective date of this Act and ending June 30, 2011.

Any federal funds appropriated under this section are not a part of the agency's 2011-13 base budget. Any program expenditures made with these funds will not be replaced with state funds after the federal American Recovery and Reinvestment Act of 2009 funds are no longer available.

SECTION 3. USE OF FEDERAL FISCAL STIMULUS FUNDS - ELECTRICAL GENERATORS. The department of commerce shall use \$2,000,000 of the funding appropriated in section 2 of this Act for the purpose of establishing a grant program to assist in the purchase and installation of electrical generators that consume at least seventy-five percent of the gas from oil and gas well sites which would otherwise be

flared or wasted, for the period beginning with the effective date of this Act and ending June 30, 2011. The funding is contingent upon approval from the United States department of energy of use of the funding for the grant program. Before making a grant from the program established by this section, the department of commerce shall obtain the recommendation of the oil and gas research program administered by the industrial commission regarding the application's technical accuracy and consistency with the oil and gas research program.

SECTION 4. USE OF FEDERAL FISCAL STIMULUS FUNDS - BIOFUEL BLENDER PUMP GRANTS. The department of commerce shall use up to \$1,000,000 of the funding appropriated in section 2 of this Act for biofuel blender pump grants.

SECTION 5. CONTINGENT GENERAL FUND APPROPRIATION - BUDGET SECTION APPROVAL. If the federal funds appropriated under section 2 of this Act are not available to provide the sum of \$1,000,000 for biofuel blender pump grants, there is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,000,000, or so much of the sum as may be necessary, to the department of commerce for transfer to the biofuel blender pump incentive fund, for the biennium beginning July 1, 2009, and ending June 30, 2011. The department of commerce may spend the general fund moneys subject to budget section approval and only to the extent that federal funds are not available to provide the \$1,000,000 appropriated under sections 2 and 4 of this Act. This funding is one-time funding for the 2009-11 biennium.

SECTION 6. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,594,567, or so much of the sum as may be necessary, to the department of emergency services for the purpose of providing grants to eligible political subdivisions for up to fifty percent of the costs incurred by the political subdivisions in meeting the local cost-share required by the federal emergency management agency for disaster, emergency response, and recovery costs, and for up to fifty percent of the costs incurred by the political subdivisions for disaster, emergency response, and recovery costs not covered by the federal emergency management agency, for the period beginning with the effective date of this Act and ending June 30, 2011. For the purposes of this section, an eligible political subdivision is one that experienced damage or destruction due to a tornado during the summer of 2007.

SECTION 7. APPROPRIATION - FEDERAL FISCAL STABILIZATION - OTHER GOVERNMENT SERVICES. There is appropriated from federal fiscal stabilization - other government services funds made available to the governor under the federal American Recovery and Reinvestment Act of 2009, not otherwise appropriated, the sum of \$400,000, or so much of the sum as may be necessary, to the office of management and budget for the purpose of establishing a searchable database of state expenditures as provided for in section 31 of this Act, for the biennium beginning July 1, 2009, and ending June 30, 2011. Any federal funds appropriated under this section are not a part of the agency's 2011-13 base budget."

SECTION 17. CENTERS OF EXCELLENCE STATE TAX REVENUE IMPACT STUDY - REPORT.

1. During the 2009-11 biennium, the state auditor, in consultation with the tax commissioner and the department of commerce, shall conduct a study of the state tax revenue impact of the centers of excellence program and shall calculate the direct impact of the program on state tax revenues. The study must include an analysis for each center of excellence of the actual matching funds received by source; actual number of private sector jobs created, including information as to whether the jobs would have been created without the center; and new private sector facilities opened as the result of the center. The study must be based on information available to the tax commissioner and the state auditor.
2. During the organizational session of the sixty-second legislative assembly, the state auditor shall submit to the president pro tempore of the senate and the speaker of the house a report on the findings and results of the centers of excellence state tax revenue impact study.
3. The tax commissioner shall compile direct tax revenue and expenditure data and provide this data to the state auditor. Notwithstanding the confidentiality provisions contained in chapters 57-38 and 57-39.2, the tax commissioner shall provide the state auditor the information necessary to accomplish and effectuate the study required by this section. The tax commissioner may request the assistance of the department of commerce as necessary to compile this data.
4. The tax commissioner may establish the procedure and format by which the tax data will be provided to the state auditor. If additional information is needed by the state auditor to calculate the tax impact of the centers of excellence program, the state auditor may contact those taxpayers determined necessary to effectuate the study required by this section.
5. Except as provided in subsection 6, the state auditor may establish the manner in which the centers of excellence impact data will be analyzed, organized, and presented in the report.
6. Confidential information the state auditor receives from the tax commissioner may not be divulged by the state auditor unless the information is in the aggregate and in a manner that will not divulge information specific to any taxpayer.

SECTION 18. TOURISM MARKETING MATCHING GRANTS. The grants line item in section 1 of this Act includes the sum of \$500,000 from the general fund for providing tourism marketing matching grants, for the biennium beginning July 1, 2009, and ending June 30, 2011. The department of commerce may use the funds for awarding grants to tourism attraction entities to the extent matching funds are available from nonstate sources on a dollar-for-dollar basis.

SECTION 19. LEGISLATIVE INTENT - DIVISION OF TOURISM - LARGE TOURISM INFRASTRUCTURE GRANTS. It is the intent of the sixty-first legislative assembly that the department of commerce division of tourism develop criteria for large tourism infrastructure grants and a method for setting funding priorities for such grants in future bienniums.

SECTION 20. BASE REALIGNMENT PLAN - REPORT TO THE BUDGET SECTION. The department of commerce, with assistance from local economic development organizations and national organizations specializing in developing alternative uses of former air force base properties, shall develop a plan for the utilization of commercial space available at the Grand Forks air force base, for the biennium beginning July 1, 2009, and ending June 30, 2011. The plan must identify the potential use of existing economic development programs, including the North Dakota development fund, incorporated, and Bank of North Dakota programs. The department

of commerce shall provide reports to the budget section on the status of development of the plan.

SECTION 21. TAX-EXEMPT PROPERTY - REPORT TO THE BUDGET SECTION. During the 2009-10 interim, the department of commerce shall compile information identifying tax-exempt property by school district, including information on the related value of the property based on soil survey, insured value, or other means and a categorization of the property by whether or not it produces revenue based on its use. The department of commerce shall report the information compiled at the first meeting of the budget section in 2010."

"SECTION 27. AMENDMENT. Subsections 1 and 4 of section 15-69-02 of the North Dakota Century Code are amended and reenacted as follows:

1. The board shall establish a centers of excellence program relating to economic development. ~~The program must distinguish among center designations for awards designated to address commercialization and infrastructure needs.~~ Workforce may not be the primary need addressed by a center. Through the program the commission shall make funding award recommendations for commission-approved applications to the board, the foundation, the emergency commission, and the budget section of the legislative council. A center must be an institution of higher education under the control of the board or a nonprofit university-related or college-related foundation of an institution of higher education under the control of the board. In order to be considered for center designation, the institution of higher education or nonprofit foundation must be working in partnership with the private sector. ~~For an application that includes infrastructure to be considered for center designation, the application must provide detailed information regarding how the future operational costs and maintenance costs related to the infrastructure will be provided and how the costs will not be provided from the general fund.~~ In addition to any center designated under this chapter, the North Dakota state university center for technology enterprise and the university of North Dakota center for innovation are centers.
4. The board rules adopted under subsection 9 of section 15-10-17, relating to ownership of intellectual property, inventions, and discoveries, must address activities and issues unique to centers. The rules must provide that in the case of an agreement or other contract for private-public sharing of royalties or other compensation from intellectual property resulting from center activities, the terms must provide the private sector partner must receive the first royalties or other compensation equal to four times the private sector partner's initial investment and thereafter as agreed by the parties.

SECTION 28. AMENDMENT. Subsections 2 and 3 of section 15-69-04 of the North Dakota Century Code are amended and reenacted as follows:

2. The commission shall meet as necessary to review all complete applications; consider the potential need for independent, expert review of complete applications; approve or disapprove complete applications; make funding award recommendations for commission-approved proposed

centers; direct the ~~office of management and budget department of commerce~~ to distribute funds to the centers; monitor centers for compliance with award requirements; review changes in assertions made in center applications; and conduct postaward monitoring of centers.

3. In considering whether to approve or disapprove an application, the commission shall determine whether the applicant has conducted the due diligence necessary to put together a viable proposal, the commission shall determine whether the applicant has provided information in the application which clearly outlines how the matching fund requirement will be met, and the commission shall consider whether the center will:
 - a. Use university or college research to promote private sector job growth and expansion of knowledge-based industries or use university or college research to promote the development of new products, high-tech companies, or skilled jobs in this state;
 - b. Create high-value private sector employment opportunities in this state;
 - c. Provide for public-private sector involvement and partnerships;
 - d. Leverage other funding, including cash from the private sector;
 - e. Increase research and development activities that may involve federal funding from the national science foundation experimental program to stimulate competitive research;
 - f. Foster and practice entrepreneurship;
 - g. Promote the commercialization of new products and services in industry clusters;
 - h. Become financially self-sustaining; and
 - i. Establish and meet a deadline for acquiring and expending all public and private funds specified in the application.

SECTION 29. AMENDMENT. Subsections 1, 3, 4, and 5 of section 15-69-05 of the North Dakota Century Code are amended and reenacted as follows:

1. A center shall use funds awarded under this chapter to enhance capacity; ~~enhance infrastructure~~; and leverage state, federal, and private sources of funding. A center awarded funds under this chapter may not use the funds to enhance or construct infrastructure, to supplant funding for current operations or academic instructions, or to pay indirect costs.
3. Before the commission directs the ~~office of management and budget department of commerce~~ to distribute funds awarded under this chapter, the center shall provide the commission with detailed documentation of private sector participation and the availability of two dollars of matching funds, of which one dollar must be cash from the private sector, for each dollar of state funds to be distributed under this chapter. The matching funds may include funds facilitated through the collaboration of the private sector participants with other funding entities. The noncash matching funds may include ~~a combination of cash and~~ in-kind assets with itemized value. Private sector participation may be established through equity investments or through contracts for services with private sector entities. In making funding recommendations and designation determinations, the commission, board, foundation, and budget section shall give major consideration to the portion of the matching funds provided in cash by the private sector.
4. The commission shall direct the ~~office of management and budget department of commerce~~ to distribute the funds awarded under this chapter in disbursements consistent with the center's budget and timeframe outlined in the approved award. The commission may not direct distribution of funds under this chapter if there are no private sector partners participating or if the statutorily required matching funds are not available.

5. If, before funds are distributed by the ~~office of management and budget department of commerce~~, a center undergoes a change in the terms of or assertions made in its application, the commission may direct that the ~~office of management and budget department of commerce~~ withhold all or a portion of any undistributed funds pending commission review of the changes.

SECTION 30. A new section to chapter 54-18 of the North Dakota Century Code is created and enacted as follows:

Annual transfer. Within thirty days after the conclusion of each fiscal year, the state industrial commission shall transfer five percent of the net income earned by the state mill and elevator association during that fiscal year to the agricultural fuel tax fund.

SECTION 31. A new section to chapter 54-44.1 of the North Dakota Century Code is created and enacted as follows:

Searchable database of expenditures.

1. By January 1, 2010, the director of the budget shall develop and make publicly available an aggregate and searchable budget database website that includes the following information for the biennium ending June 30, 2009:
 - a. Each budget unit making expenditures.
 - b. The name and city of the recipient of each expenditure.
 - c. The amount of funds expended.
 - d. The source of the funds expended.
 - e. The budget program of the expenditure.
 - f. A descriptive purpose for the expenditure.
 - g. The result or report of any state audit or review relating to any recipient of expenditures or the budget unit or program.
 - h. Any other information determined relevant by the director of the budget.
2. The director of the budget may not include in the database any information that is confidential under state or federal law.
3. The director of the budget may update the budget database website as new data becomes available. Each state agency shall provide to the director of the budget any data required to be included in the budget database website no later than thirty days after the data becomes available to the agency.
4. By January first of each even-numbered year, the director of the budget shall add data for the previous biennium to the budget database website. The director of the budget shall ensure that all data added to the budget database website remains accessible to the public for a minimum of ten years.
5. The budget database website may not redirect users to any other government website, unless the website has information from all budget units and each category of information required can be searched electronically by field in a single search.

SECTION 32. AMENDMENT. Section 54-60-17 of the North Dakota Century Code is amended and reenacted as follows:

54-60-17. Division of workforce development - Higher education internships and work experience opportunities. The division of workforce development shall administer a program to increase use of higher education internships and work experience opportunities for higher education students. The primary focus of

this program must be higher education internships in target industries. This program shall provide services to employers, communities, and business organizations to increase higher education internship and work experience opportunities. Funding awarded under this section is limited to a lifetime maximum of thirty thousand dollars per recipient."
