- Overview - Energy Infrastructure And Impact Grants Program
- Review Of Grants Awarded To Date

PRESENTED BY: Lance Gaebe, Director
 North Dakota Department of Trust Lands
 •Energy Infrastructure and Impact Office
 August 1, 2012

Overview - Energy Infrastructure And Impact Grants Program

The Energy Infrastructure and Impact Office mission is to ensure that local political subdivisions hosting energy activity are not asked to bear a disproportionate share of the costs associated with that activity.

\$100 million authorized by 2011 Legislature

\$35 million additional in November special session

Overview - Energy Infrastructure And Impact Grants Program

Housing shortages
 Man Camps
 Wal-Mart parking lot
 Hotel rooms scarce

Housing costs increased
 Loss of low income and single family rental units
 Senior Citizen housing - rent increased from \$700 to \$2,000/month for 2-bed apartment; vacated apartments then rented to oil companies. (Williston Herald, 9-11-11)
 Entire trailer and RV parks evicted to make room for crews

Infrastructure
 Sewage
 Schools
 Construction
 Traffic and Transportation
 Emergency Services
 Law Enforcement, Fire and Ambulance Services

Overview - Energy Infrastructure And Impact Grants Program

Fire and Ambulance Services

- Increased population – increased calls
- Increased traffic, more accidents
 - Larger vehicles require larger extrication tools
 - Hazardous materials can be involved
- Volunteer fire and ambulance volunteers
 - their own jobs to work
- Public safety

Overview - Energy Infrastructure And Impact Grants Program

- Energy Infrastructure and Impact Program
 - Oil and Gas Impacted Political Subdivisions (cities, counties, school districts, other taxing districts)
 - Impacted means demonstrating actual or anticipated extraordinary expenditures caused by oil and gas development and associated growth

Overview - Energy Infrastructure And Impact Grants Program

- Energy Impact Program
 - Energy Infrastructure and Impact Office (EIIO), a Division within the Office of the Commissioner of University and School Lands
 - Provides authority of Land Board to Appoint the EIIO Director

Overview - Energy Infrastructure And Impact Grants Program

- The Board of University and School Lands (Land Board)
 - Governor
 - Secretary of State
 - State Treasurer
 - Attorney General
 - Superintendent of Public Instruction
- Authority to Award and Distribute Energy Infrastructure and Impact Grants from the Oil and Gas Impact Grant Fund

Overview - Energy Infrastructure And Impact Grants Program

- Powers and duties of energy infrastructure and impact office
 - Develop a plan for the assistance, through financial grants for services and facilities, of counties, cities, school districts, and other political subdivisions in oil and gas development impact areas.
 - Establish procedures and forms for political subdivisions to apply for impact grants.
 - Make grants disbursements to counties, cities, school districts, and other taxing districts for grants awarded by the Land Board. In determining the amount of impact grants for political subdivisions, the amount of revenue that the entities receive from taxes on oil and gas plants and from tax or fund distribution formulas must be considered.

Overview - Energy Infrastructure And Impact Grants Program

One Percent of Oil and Gas Gross Production Tax

- \$100 Million Allocated to the Oil and Gas Impact Grant Fund

November Special Session

- \$30 million supplemental General Fund appropriation to Oil and Gas Impact Grant Fund (trigger met)
 - Funds were made available April 1, 2012
- \$5 million from General Fund to up to four counties emerging into oil and gas production
