2 Century Code, relating to highway improvement contracts to be advertised; and to repeal
3 section 24-05-04.2 of the North Dakota Century Code, relating to contracts for road
4 construction.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Section 24-05-04 of the North Dakota Century Code is
7 amended and reenacted as follows:

9 **contracts.**

- 10 1. If a contract for a highway improvement exceeds one hundred thousand dollars, the
11 board of county commissioners shall seek bids by publishing an advertisement at least
12 once each week for two consecutive weeks in the official newspaper of the county and
13 in other newspapers as the board deems advisable. For any contract for a highway
14 improvement that exceeds fifty thousand dollars but does not exceed one hundred
15 thousand dollars, the county, when possible, shall seek quotes from at least two
16 contractors.
- 17 2. A purchase of county road machinery and any rental contract or agreement for the use
18 of road machinery and other articles, except necessary repairs for road machinery,

20 ~~for the purchase of county supplies~~ by publishing an advertisement for bids at least
21 once each week for two consecutive weeks in the official newspaper of the county and
22 in any other newspapers as the board deems advisable. The board of county
23 commissioners may not enter a rental contract or agreement for the use of road
24 machinery and other articles for a longer period than twelve months from the date of

1 the rental contract or agree to pay rental for the use of road machinery and other
2 articles which would result in the lessor receiving rental at a rate in excess of twenty
3 percent per year of the cash sale price of the road machinery or other articles. The
4 cash sale price of the road machinery and other articles must be clearly set forth in
5 any rental contract for road machinery and other articles and failure to include this
6 data in any rental contract for the use of road machinery and other articles renders the
7 rental contract void. A payment made under a void rental contract is recoverable from
8 the county commissioners making the contract, jointly and severally.

9 2.3. Notwithstanding the provisions of this section relating to the duration of rental
10 contracts, the board of county commissioners may enter lease-purchase agreements
11 for the road machinery and articles covered by this section if those agreements
12 provide for the complete performance and full payment of the purchase price of the
13 machinery or articles within seven years from the date of the execution of the
14 lease-purchase agreement according to section 44-08-01.1.

15 4. Bids received under this section must be opened and awarded under the procedure

25 body may advertise for new bids in accordance with this chapter until a satisfactory bid is
26 received.
