POINT OF PERSONAL PRIVILEGE

SEN. BURCKHARD rose on a point of personal privilege.

REMARKS OF SENATOR BURCKHARD

MR. PRESIDENT: The title of this floor speech is Armstrong, Will and Beeter. Mr. President, Armstrong, Will and Beeter is not a prestigious law firm in Los Angeles. No, Mr. President, these individuals were recently crowned state wrestling champions from Minot, the Magic City. Brody Armstrong is a 126 pound champion from MHS, Jordan Will is a 220 pound champion from Bishop Ryan, and Konner Beeter is a 152 pound champion from Bishop Ryan. The Minot High School Magicians placed first overall. It was their first wrestling championship since 1993.

Mr. President, sportsmanship is a powerful character builder and high school competition is the source of many lifelong friendships. Mr. President, lets shout a "hip hip hooray" to all the student athletes in North Dakota and a tip of the hat to Armstrong, Will and Beeter from Minot, the Magic City.

REQUEST

SEN. KLEIN REQUESTED that the remarks of Sen. Burckhard be printed in the Journal, which request was granted.

The matching funds provided under this section must be used for campus extraordinary repairs and deferred maintenance needs.
4. This section does not apply to tuition rates charged for programs offered through the university of North Dakota school of medicine and health sciences, the university of North Dakota school of law, or the North Dakota state university school of pharmacy.
5. This section does not apply to tuition rates for nonresident students attending institutions of higher education under the control of the state board of higher education. For purposes of this section, the residency of students for tuition purposes must be determined under section 15-10-19.1.
6. This section does not apply to tuition rates determined under tuition reciprocity agreements entered into by the state board of higher education with other states or state education compacts.
7. For purposes of this section, an institution must calculate a resident tuition rate increase based on the tuition rate paid by an average full-time resident student. The state board of higher education may exclude adjustments to a tuition rate resulting from a change in an institution's method of charging tuition, including the consolidation of existing fees into tuition rates or charging tuition based on a per-credit rate, from tuition rate calculations under this section.

SECTION 15. USE OF EXTRAORDINARY REPAIRS FUNDING - MATCHING FUNDS. The capital assets line items in subdivisions 2 through 12 of section 1 of this Act include funding from the general fund for institution extraordinary repairs. An institution shall provide two dollars of matching funds from operations or other sources, excluding tuition revenue generated specifically for extraordinary repairs and deferred maintenance needs, for each one dollar of extraordinary repairs funding used for a project.

SECTION 16. STATE BOARD OF HIGHER EDUCATION DATA AND REPORTING INCONSISTENCIES - REPORT TO LEGISLATIVE MANAGEMENT. During the biennium beginning July 1, 2017, and ending June 30, 2019, the state board of higher education shall evaluate the following data and reporting inconsistency issues at institutions and entities under its control and develop policies and procedures to correct the inconsistencies:

1. Inconsistent employee classifications and human resources reporting;
2. Inconsistent practices for awarding tuition waivers; and
3. Inconsistent practices regarding the charging of student fees.

The state board of higher education shall provide a report to and consult with the legislative management during the 2017-18 interim regarding the status of the inconsistencies, including policies and procedures being developed to address the inconsistencies.

SECTION 17. REDUCTION IN EMPLOYEES - LEGISLATIVE INTENT - REPORT TO LEGISLATIVE MANAGEMENT. It is the intent of the sixty-fifth legislative assembly that if the number of full-time equivalent positions is reduced at institutions under the control of the state board of higher education, any reduction be applied among all classifications of employees with emphasis on senior administrative positions. During the 2017-18 interim, the state board of higher education shall provide reports to the legislative management regarding the total number of employee positions reduced at each institution, the number of administrative positions reduced at each institution, and whether any former administrative staff employees are still employed by the institution in a different position.

SECTION 18. EMERGENCY. Section 11 and the capital assets line items in section 1 of this Act are declared to be an emergency measure."
