## PROPOSED AMENDMENTS TO SENATE BILL NO. 2224

Page 1, line 7, remove "that does"

Page 1, replace lines 8 through 10 with "if:

- 1. The metabolic supplement has been identified and agreed to be covered through an agreement between the department and the state department of health;
- 2. The metabolic supplement is part of a standard recommendation for treatment;
- 3. A suitable metabolic supplement that is a covered outpatient drug is not available;
- 4. The individual is under nineteen years of age; and
- Payment is made at a rate determined by the department."

Renumber accordingly
