¹ Secretary of State - The Secretary of State will actually receive only \$4.5 million during the 2003-05 biennium because \$5 million was received prior to the end of the 2001-03 biennium pursuant to an emergency clause in 2003 Senate Bill No. 2002.

² North Dakota University System required matching funds and maintenance of effort for the 2005-07 biennium may be from general fund or special funds revenue.

³ Career and technical education maintenance of effort - The required maintenance of effort for federal career and technical education grants is determined by combining all state general fund grant expenditures for career and technical education in elementary, secondary, and higher education with all general fund expenditures at state institutions for career and technical education in a given fiscal year.

⁴ Adjutant General maintenance of effort - The general fund and special funds amounts for the required maintenance of effort are for both the Air National Guard and Army National Guard contracts.

⁵ Department of Commerce required matching funds for CFDA #10.769 for the 2005-07 biennium may be from general fund or special funds revenue.

⁶ Upper Great Plains Transportation Institute required matching funds and maintenance of effort may be from the general fund or special funds.

⁷ The Game and Fish Department's miscellaneous federal grants are small grants available for land management and chronic wasting disease work.
